10,000+ GAMES

725+ TEAMS

20M+ LIVE DATA POINTS

> " NCAA LiveStats for Basketball made a significant impact on our post-game analysis this season at Villanova. We used the system for our home games and every time we traveled to a road game and NCAA LiveStats wasn't automatically provided, we reached out to the visiting program to receive the advanced stats booklet.
>
> The lineup analysis and +/- stats were especially useful and NCAA LiveStats as a whole, has become a valuable resource to our program!"
>
> *George Halcovage III, Assistant Coach, Villanova University*
